2026 CATALOG

HiEnd
ACCENTS

Dear Valued Partner,

As I sit down to write this introduction for our 2026 catalog, I find myself reflecting on the incredible journey we've shared over the past 20 years. This year is especially meaningful to us, as it marks HiEnd Accents' 20th anniversary—a milestone that fills us with gratitude, pride, and excitement for what lies ahead.

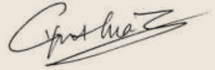

When we started this company in 2005, we had a simple yet powerful vision: to bring warmth and character to every home—at prices that make great design accessible to all. Back then, we were a small wholesale shop fueled by big dreams and an unwavering belief in the power of design to transform spaces and lives. Over the years, we've refined our ideas, pushed our boundaries, and developed products that truly resonate with customers, always staying true to our mission of blending timeless style, high quality, and affordability.

Your support and partnership have been instrumental in shaping our journey. Thanks to you, we've grown into one of the country's leading designers of home textiles, with collections that span multiple style categories and are trusted by countless homes and businesses alike. In 2024, we were honored to receive top recognition in *Furniture Today* and *Home Accents Today's* Reader Rankings, including "Best Top of Bed" from both publications, "Best Throws," and a finalist distinction for "Best Accent Pillows." These accolades are a testament not only to the hard work of our team but also to the trust and collaboration we've built with you over the years.

With this new catalog, we're proud to continue delivering on that mission. Our 2026 collection is one of our best yet—a carefully curated blend of timeless design and fresh inspiration, all crafted with the same attention to detail and quality that you've come to expect from us since the very beginning. And, as always, we remain committed to offering competitive pricing that sets us apart and allows great design to reach more homes and more customers.

Thank you for being an essential part of our story. Your trust, partnership, and feedback have inspired and guided us over the years, and we are deeply grateful. As we look ahead to the next chapter, we know the best is yet to come—and we're thrilled to continue this journey with you.

Warm regards,

Cynthia Zheng
CEO & Founder, HiEnd Accents
